Hi, here's the latest from EDF Health:

New Report: Toxic Consequences – Trump's Attacks on Chemical Safety Put Our Health at Risk

By Sam Lovell

Sam Lovell, Project Manager. Today, EDF released a report detailing the major threats to public health and future generations from the Trump Environmental Protection Agency's (EPA) attacks on the 2016 chemical safety law. Just three years after Congress passed bipartisan legislation, the Lautenberg Act, to overhaul the Toxic Substances Control Act (TSCA), implementation of the [...]
